

NUTRAFOL®

Men

Nutrafol for Men is a multi-targeting nutraceutical containing standardized ingredients that address key triggers of poor hair health including stress, DHT, free radicals, micro-inflammation, and compromised nutrition.*

Benefits

Hair Growth – Ingredients clinically shown to increase hair growth and provide fuller hair in men with thinning hair.

Hair Quality – Designed with ingredients to improve strength, fullness, shine, and nourish hair from within.

Overall Health – Formulated with ingredients shown to reduce stress, fatigue, improve sleep, improve focus and concentration, and promote overall feelings of wellness.

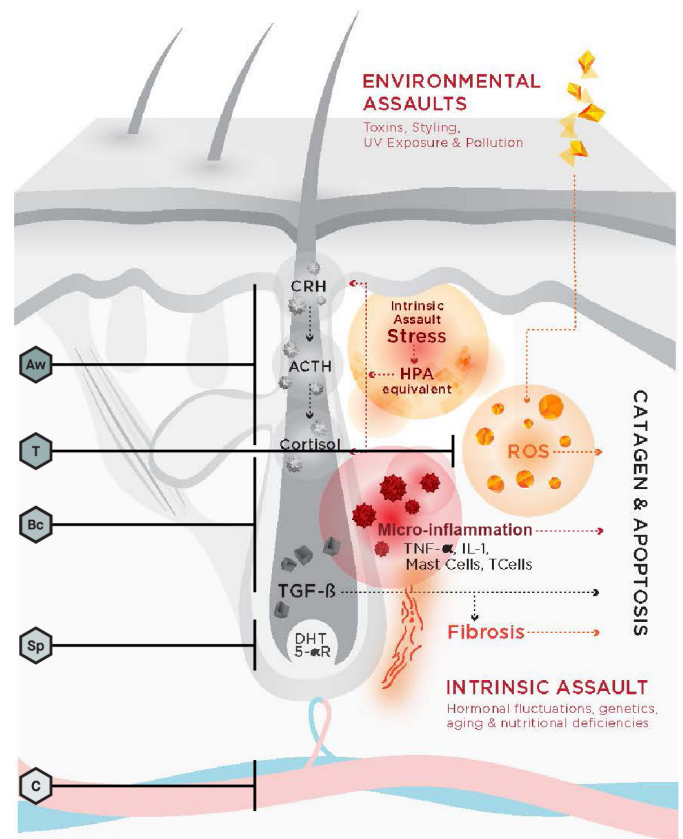

Indications

For adult men looking to improve the health of their hair and maintain existing hair growth.

Special Features

- Science shows that men are more likely to be affected by DHT compared to women. Core for Men is enhanced with added Saw Palmetto.
- Synergen Complex® is a patent pending, proprietary blend of standardized botanicals that synergistically target multiple factors affecting hair growth.*
- Nutrafol Blend is a proprietary blend of amino acids and botanicals designed to provide bioavailable nutrient support for healthy hair production.*
- Physician formulated with clinically tested, patented ingredients shown to be effective in humans.
- Careful extraction methods to preserve the most potent part of each plant without harm.
- Standardized to ensure each serving contains a clinically effective dosage.
- Sourced responsibly from all over the world, manufactured in the United States.
- Enhances bioavailability of botanical extracts and micronutrients with Black Pepper Extract and bio-optimized technologies.

How It All Comes Together

Aw	Ashwagandha targets stress hormone, cortisol	T	Tocotrienols targets ROS and lipid peroxidation
Bc	Bio-Curcumin targets micro-inflammation	Sp	Saw Palmetto targets DHT Hormones
C	Collagen targets hair nutrition		

Ablon G, Kogan S. A Six-Month, Randomized, Double-Blind, Placebo-Controlled Study Evaluating the Safety and Efficacy of a Nutraceutical Supplement for Promoting Hair Growth in Women With Self-Perceived Thinning Hair. J Drugs Dermatol. 2018;17(5):558-565.

Recommendations

Nutrafol recommends 4 capsules daily with a meal containing healthy fat.

NUTRAFOL®
